

Southport School Streets & Neighbourhood Pilot Project Update

School Streets Plot Background

- Pilot involves 3 schools
 - Birkdale High School
 - Greenbank High School
 - Stanley High School

- Working with Sustrans to deliver curriculum linked activities and modules
- Community Coproduction
- Strong focus on youth voice

Pilot seeks to tackle, road safety & congestion concerns, promote independent travel

Next Steps – Stanley High School

Further engagement with stakeholders and young people

Enhanced behavior change programme

Further engagement with residents on proposed design

Reporting on results / Council decision reports

Detailed design completed

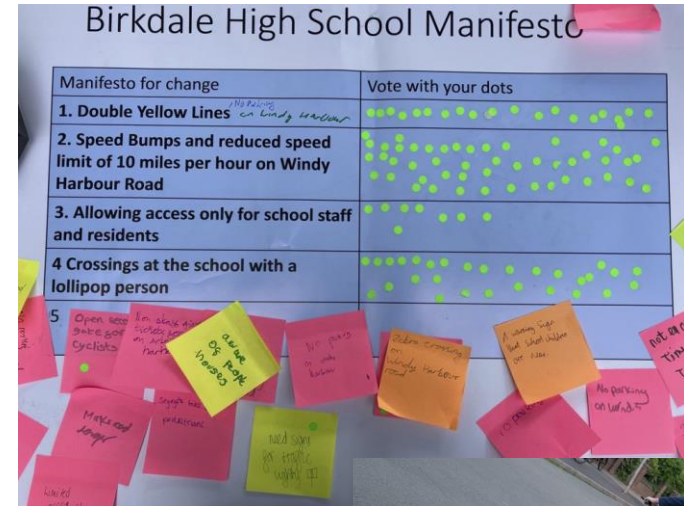

Progress so far – Birkdale High School & Greenbank High School

- Big Street Survey undertaken at both schools
- Manifesto developed by the young people and ratified by wider student body
- In school engagement on curriculum related topics
- Resident / Staff and Stakeholder Survey
- ‘Meet the Project Team’ events

Post decision to trial a school street

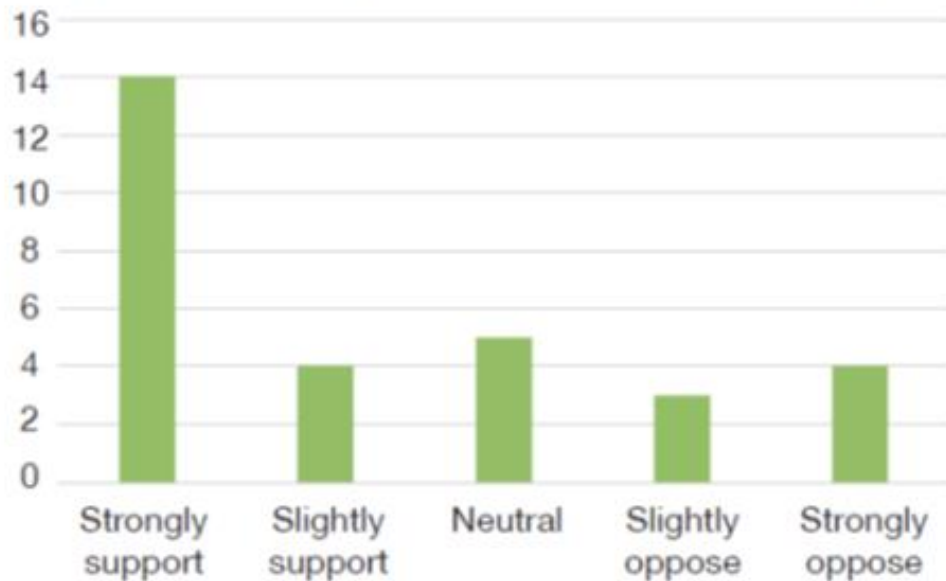

- Further meet the Project Team Sessions
- Door Knocking to talk to residents and offer vehicle permits
- Drop off and pick up conversations with parents in both streets to raise awareness of the start date.
- Joint School Council Convened
