Housing Market Renewal

Information for owner
occupiers in the Klondyke
redevelopment area

WHAT IS THIS LEAFLET ABOUT?

This leaflet is for the owners of homes in the Klondyke regeneration area, where Sefton Council wants to purchase your property for redevelopment.

It sets out basic information on the purchase, compensation and rehousing arrangements. It gives details of who to contact if you want to know more.

WHY DOES THE COUNCIL WANT TO PURCHASE MY HOUSE OR FLAT?

The Council wants to buy your house or flat in order to enable our development partners to build new housing and other facilities, so as to bring about a comprehensive improvement of the area in which you live. This is a unique opportunity to

use both public and private Investment to make a real, and lasting, difference to your neighbourhood.

The overall proposals for your area are contained in the **Supplementary Planning Guidance** document, which has been approved by the Council. A copy can be obtained by contacting:

FOR OWNER OCCUPIERS

AM I ENTITLED TO CLAIM COMPENSATION FOR THE LOSS OF MY HOME?

Yes you are. A summary of what you are entitled to claim is given below:

1. Purchase price for your home

The Council will arrange for your home to be valued by its independent qualified valuer. They will negotiate the price to be paid with you or your representative. This will be the market value of your home, based on what it might be expected to realise, if sold on the open market, as if demolition of your area was not taking place. It is strongly recommended that you obtain your own independent valuation from a Chartered RICS surveyor.

The cost of this independent valuation will be reimbursed to you upon completion of the sale of your property to the Council, or its Agents.

2. Home loss payment

In addition to the purchase price, you may be entitled to a home loss payment.

The home loss payment is a statutory compensation payment, which currently stands at 10% of the market value of the property, subject to a maximum payment of £34,000 and a minimum payment of £3,400.

3. Disturbance payment

You may be entitled to claim an amount to cover all the reasonable costs of your move.

Examples of what can be claimed include the reasonable cost of removals, disconnection and reconnection of cookers, washing machines, telephones etc, carpeting, curtains, redirection of mail and other related expenditure, along with the reasonable cost of the professional fees incurred in selling your current home to the Council, and buying a new one.

Qualifying homeowners will be offered a disturbance payment based upon the size of their current property, for example:

- ❖ If you live in a 1 bedroom flat, you will be offered £1,500.
- ❖ If you live in a 2 bedroom house or flat, you will be offered £2,000.
- ❖ If you live in a 3 bedroom house or flat, you will be offered £2,500.
- ❖ If you live in a 4 bedroom house, you will be offered £3,000.

If the above offer is accepted, the payment is made upon the completion of the sale of the property, and it will be made on the basis that no further payment will be made by the Council in respect of disturbance payment.

Alternatively, homeowners can submit individual claims for disturbance payments, based upon rates approved

by the Council, which are outlined below, up to a maximum total claim of £3,000:

Professional fees

The reasonable costs of:

- ❖ The valuation fee for your current home.
- ❖ Legal fees for selling your home to the Council.

I WANT TO BUY A NEW HOME, BUT IT COSTS MORE THAN MY COMPENSATION. WHAT CAN I DO?

The Council has several ways to help

1. Free Independent Financial Advice

The Council has secured the services of qualified independent financial advisers. If you wish to take advantage of this service, the Council will pay for up to three hours of advice. For details of the advice available, and to arrange for an appointment, please contact the:

Breathe+

2. Relocation Grant

The Council can provide a grant of up to £10,000 to financially assist in moving to alternative accommodation. The Relocation Grant is subject to a

number of provisions, including means testing, and will therefore not be available to everyone.

If you want details of the Relocation Grant Scheme, please contact Mr Bob Cannon on 0151-285 5185, or ask for the leaflet *Relocation Grants: A Guide for Owner Occupiers*.

3. Other Financial Assistance Packages

The Council is working with Liverpool City Council and Wirral Metropolitan Borough Council to develop other financial packages to enable homeowners to purchase alternative properties.

Details of these packages and how to access them can be obtained from the independent financial advisors, who can be contacted through the:

I WANT TO BUY AN OLDER HOUSE WITHIN THE HOUSING MARKET RENEWAL AREA, WHICH MAY NEED REFURBISHING OR REPAIRS. CAN THE COUNCIL HELP?

The Council can provide a grant of up to £25,000 towards the refurbishment costs (subject to eligibility).

If you want details, please contact:

Mr Bob Cannon or Mr Dave Campbell

WHAT IF I WANT TO STAY IN THE AREA?

The redevelopment programme has been planned to ensure that all affected residents who want to, will be able to buy or rent a new or refurbished home in the neighbourhood.

The range of properties available will be designed to meet the needs of the local residents who want to be rehoused in the neighbourhood.

We may also be able to arrange a **Home-Swap** for homeowners. Under this arrangement, you 'swap' the home you currently own for an older home of similar value, which has been refurbished by the Council or a Housing Association. You will then own this home. If you wish to find out more about this proposal, please contact:

Mr Bob Cannon

Telephone 0151-285 5185

WHAT IF I HAVE SPECIAL REQUIREMENTS (FOR EXAMPLE BECAUSE I OR SOMEONE IN MY HOUSEHOLD IS DISABLED OR IN POOR HEALTH)?

Please contact the Lead Housing Association for your area, or Sefton Council Social Services. They will arrange to visit you.

You can arrange to contact Social Services directly by telephoning:
0151-934 3737

A private assessment will be arranged for you. If it is found that your new home needs special adaptations, these will be built in for you before you move.

We can also arrange for special help for you before, and during, your move to make it as stress free as possible.

The Council will make every reasonable effort to buy your home on a voluntary basis.

However, if this is not possible, the Council will pursue a Compulsory Purchase Order which will include your home.

It is possible to object to any Compulsory Purchase Order, and if an order affects your home, you will be notified of your rights to object.

If you want more information on Compulsory Purchase, please contact:
