Supplementary Planning Document

Scoping Report

March 2020

Design SPD (March 2020)

Sefton Council is preparing a Design Supplementary Planning Document (SPD), to provide guidance on the Council's approach to design when assessing planning applications. It will set out the Council's expectations for high quality and sustainable design across Sefton. This will be consistent with the planning policies in the Sefton Local Plan (www.sefton.gov.uk/localplan).

We are inviting you to comment at this early stage to help us decide what level of guidance and background information should be contained in the Design SPD.

Comments should be made by Friday 17th April 2020

We are seeking views from developers, organisations, individuals and others who are involved in the designing of sites, landscapes and buildings in Sefton. This scoping report identifies some key issues. Please let us know if you agree with these and whether there are additional issues you would wish the SPD to cover.

What is a Supplementary Planning Document (SPD)?

SPDs give more detailed guidance to policies in the Adopted Local Plan and 'made' (i.e. adopted) Neighbourhood Plans in Sefton. They are subject to public consultation under The Town and Country Planning (Local Planning) (England) Regulations 2012. Once adopted SPDs are material considerations in the determination of planning applications.

Planning policies on design

Government planning policy and how it is to be applied is set out in the National Planning Policy Framework (NPPF) (www.gov.uk/government/publications/national-planning-policy-framework--2). The NPPF requires each council to have robust and comprehensive policies that support the delivery of high-quality sustainable and inclusive development.

Sefton Local Plan was adopted in April 2017. The Local Plan includes a range of policies, which conform to national planning policy, to shape the future of Sefton. It sets out how new development will be managed in the period from 2015 to 2030, encouraging sustainable development and economic growth and giving current and future generations more opportunities to live and work in Sefton's outstanding environment.

The Design SPD will put in place consistent design guidance to advise on the consistent high-quality standards of design that are expected in Sefton.

The proposed Design SPD will support the following Local Plan policies:

- EQ1 Healthy Sefton
- EQ2 Design

- EQ9 Provision of public open space
- NH7 Rural landscape character

These are general policies applicable across the whole borough.

The SPD also supplements a number of Neighbourhood Plan policies. This includes Maghull Neighbourhood Plan (2019) policies MAG 3 'Maghull local list' and MAG 4 'Residential character areas'. This SPD further supports MAG 2 'Regeneration of Maghull District Centre'. In the Lydiate Neighbourhood Plan (2019) policies LNP DEV1 'Protecting and Enhancing the Character of Lydiate' and LNP HER 'Protecting and enhancing non-designated heritage and cultural assets' are supported. This SPD supplements numerous policies within the Formby Neighbourhood Plan (2019), including H1 'Housing Density', H7 'Design of car-parking', WS4 'Vitality and Viability', WS5 'New Shop Fronts' and WS6 'Signage', ESD2 'High Quality Design'. Other neighbourhood plans may come forward in the future. (www.sefton.gov.uk/neighbourhoodplanning).

Once adopted the SPD will replace the Design [SPG](#) (Design 2003).

Role of the Design SPD

The SPD will provide additional guidance on how the Local Plan policies set out above should be interpreted and applied in proposals for design. It is particularly aimed at professionals, such as architects, urban designers and developers as well as anyone interested in the delivery of quality design within Sefton.

Sustainability Appraisal and Strategic Environmental Assessment

National planning policy indicates that a Sustainability Appraisal (SA) and Strategic Environmental Assessment (SEA) are not required for an SPD unless it is considered that there are likely to be significant environmental effects or exceptional circumstances.

This SPD builds on policies in the adopted Local Plan, all of which have been subject to SA and SEA and detailed scrutiny at the Examination. Furthermore, the criteria in Schedule 1 of the Environmental Assessment of Plans and Programmes Regulations 2004 have been taken into consideration and Sefton Council anticipate that these have not been triggered to the extent that it is necessary to subject this SPD to SEA.

If you believe SEA is required, please set out what the exceptional circumstances are requiring one to be undertaken as part of your response.

Key issues for consideration in the SPD:

- Respecting the context sites and enhancing the character of the local area.
- Creating a distinctive and appropriate identity for the development.
- Built form.
- Ease of movement and accessibility for all.
- Green infrastructure - open spaces, landscape and planting, site drainage, nature.
- Easy to maintain, safe and attractive public spaces such as roads and open spaces.
- An inclusive mix of uses.
- Sustainable use of energy and resources and sustainable design which helps adapt to climate changes.
- Lifespan, designs which are adaptable to changing needs and technologies, easy to maintain and well managed.

How to comment

Comments on whether you agree with the scope of this SPD and/or whether there are other things that should be included should be sent to:

local.plan@sefton.gov.uk

Planning Department
Magdalen House
Trinity Road
Bootle L20 3NJ

Please include the name of the SPD you are commenting on in the subject line.

Comments must be received by Friday 17th April 2020

What happens next?

An indicative SPD timetable is provided below:

Prepare Draft SPD, taking into account comments made to the scope	April - May 2020
Approval from Cabinet Member to publish draft SPD for eight weeks public consultation.	June 2020
Publish draft SPD for eight weeks consultation.	July – September 2020
Prepare draft SPD for adoption, taking into account comments made	October 2020
Approval from Cabinet Member to adopt the SPD	November 2020

Data Protection

- All comments, including personal details, received will be logged securely.
- Comments from private individuals will be published online. Names will be published online unless a specific request to remain anonymous is made. However, we may not be able to give the same weight to anonymised comments.
- Comments from groups, organisations and companies will be published online giving name of group, organisation and company only.
- No contact details will be published online, including home address, email or telephone number
- The Council may need to contact you to request further information or clarification in relation to the comment(s) made.
- Personal details will be used for the purposes of SPD production only.
