Introduction

This booklet will give you all the information you need to apply for a place at a Sefton school if you are moving into Sefton (or moved areas within Sefton) during the academic year, and require a new school place for your child(ren).

We know that a number of families will need to move their child to another school because of a house move during the academic year, and we want to make this move as smooth as possible for every child.

We have therefore developed arrangements for the admission of children outside the normal admission rounds. These school moves are called 'In Year' Admissions.

This booklet is for parents who wish to apply for a place at a Sefton School

If you require a place at a school outside of the Sefton Authority area, please contact the appropriate Local Authority where the school is located.

Please Note:

The Local Authority will consider an application submitted for a school place (A1 application) because of a house move where it is too far and would take too long for the child to continue travelling to attend their current school.

For those moving within Sefton or more locally, Sefton Local Authority (LA) will use the current best practice for home to school transport arrangements, as a guide to evaluate whether the LA has an obligation to allocate a new school place because of a house move (rather than a request to just transfer to a new school). This states that a maximum journey length to school for a primary age child should be 45 minutes each way, and 75 minutes each way for secondary age children.

Therefore, if you have moved to a new house many miles away from your current home and school, it is likely that you will require a new school place.

If you have moved less than half a mile away and in the same area your application may not automatically be considered as a house move requiring a new school place. If this is the case you will be contacted by the School Admissions Team.

Please read these Guidance Notes before completing the application form

Important Information

Matters for you to consider before applying:

- **During the School Year**

We recommend that applications are submitted no earlier than 4 weeks prior to the date on which you require the new school place. Please do not apply for a school place several months in advance of a proposed house move during the school year. The Local Authority cannot pend places and will not be able to process an application for a school place without a proposed new address and a proposed move date.

- **Places required for the start of the next academic year**

Applications should be submitted from the start of June onwards once a home address and/or a proposed move date are confirmed. If you apply any earlier than this, the application will not be processed. **If the school you require for the next academic year is full, please be aware that appeals are only heard during term time and therefore any potential appeal may not be heard until the new academic year has started.**

- Sefton Local Authority's (LA) In Year Admissions Team processes all applications in the strict date order that they are received. In the unusual circumstances where there are more applications received on the same day for one particular school place, the admissions criteria will be applied to each application received, in order to allocate the place available.
- During term time, Sefton LA will check if there are places available for schools you have requested. If there are vacancies in the school you have requested and your application is being considered as a standard admission (not through the Fair Access Protocol - see page 11) we will pass your information to the school. You will usually be contacted directly by the new school you have requested in order to make arrangements for your child to be admitted. **You should allow up to four weeks from start to finish for this process. However, at certain times of the year and during school holiday periods it may take longer to process your application.**

The Application Process

- If any school you have requested does not have places available, we will write to you, refusing a place and advise you of the arrangements for submitting an appeal. The child can be added on to the school's waiting list if requested.
- If you cannot be offered any of the preferred schools named on your application, at this stage the Local Authority will offer you a place at an alternative school, where there is a vacancy, closest to your new home address (irrespective of school type or faith) which we are obliged to do by law, if you have confirmed your residency within the Sefton area.
- If an application for a school place is identified as one that should be processed through the Fair Access Protocol, the application is no longer considered through the standard admissions process and is processed in accordance with the recommendations of the Fair Access Panel (see page 11).

How to complete the A1 In Year application form

Section 1: Child's details

- Please enter the child's legal name as shown on their birth certificate and circle their current year group.
- The child's current address must be where the child and parent or carer with legal responsibility lives. You should not give the address of a relative or childminder.
- Please also add the previous address and the date moved from a previous address (if applicable).
- You **MUST** supply evidence of your current address if you have already moved to a new house (see 'what documents do I need to provide (on page 9)').

Section 2: Change of Address

- Please indicate any proposed new address and date of the proposed move.
- You **MUST** supply evidence of any new or proposed address (see 'what documents do I need to provide (on page 9)'
- The new home address cannot be a childminder's or business address.

Section 3: Current or Most Recent School and Free School Meal entitlement

- Please provide the name and address of your child's current or most recently attended school.
- We will contact the current / most recent school before processing an application.
- If you are moving in to Sefton from overseas, please provide the most recent school report/information that you may have, with your application.
- If your child no longer attends this school, please enter the date of their last day of attendance.
- Please indicate if you are or were receiving Free School Meals (FSM) for your child and include your NI number and date of birth. This will allow the Admissions Team to automatically transfer eligibility for FSM when your child starts at their new school.

Section 4: Reason for application

- We need to know a little bit about your request for a new school place so that we can process your application.
- If you are proposing to, or have just moved into Sefton, or moved a significant distance within Sefton and require a new school place, please tick the appropriate box(es) that apply to your circumstances, and provide the details requested.
- If your child is being home educated please tick and include the dates.

- If you are UK service personnel and a new school place is required as you are being redeployed, please tick the box. An official MOD letter will also be required, confirming your posting.

Section 5: School Preferences

- You can list up to 3 Sefton schools in the order which you prefer them.
- We may ask for a copy of the child's passport to verify their date of birth if you have moved in to Sefton from another country.
- You can enter the reasons for your preference(s) in the space provided if you wish to do so.
- If your child has a sibling who is attending any of the schools you have listed, please enter their full name and date of birth. 'Sibling' refers to brother or sister and includes half, step, adopted or foster siblings, provided they live at the same address. **Cousins or other relatives are not siblings.**

Section 6: Parents/Carer's Details

- Please enter details of a person with parental responsibility for the child and indicate the relationship to the child.
- The application will be processed using the new or proposed new address.
- **You will need to provide your e-mail address so we can acknowledge receipt of the application form and contact you if we require any further information.**

Section 7: Children Looked After (or previously Looked After) by a Local Authority

- If you are a foster carer looking after a child who is in the care of a local authority and you require a school place, you must indicate this and give the name of the authority. You will also need to ask your social worker to complete the application form.
- Looked After and Previously Looked After children have the highest priority in the admissions criteria for all maintained schools in Sefton.

Section 8: Social & Medical Needs / SEN or Education, Health and Care Plan (EHCP)

An EHCP is a legal document that describes a child or young person's special educational, health and social care needs. It explains the extra help that will be given to meet those needs, and it will include the name of a specific educational establishment that the child will attend in order to meet their needs. This is not the same as a SEN Support Plan or a child receiving additional help within the classroom.

- If your child has Special Educational Needs but does not have an Education, Health and Care Plan (EHCP), you should complete this form in the normal way.
- If your child has an EHCP, a separate process applies. **DO NOT COMPLETE THIS FORM.** Instead, you should contact the Special Educational Needs Team for further advice. Email: special.needs@sefton.gov.uk or telephone 0151 934 2347.
- If you believe that a particular school is the most suitable to meet your child's needs, you **should attach a letter** explaining this and also provide supporting evidence from a doctor, social worker or other appropriate professionals. Your evidence should set out the reasons why the school you have chosen is most suitable and the difficulties that could be caused if your child were to attend another school.
- Please note that any medical condition of the parent(s) or other family member or difficulties with child care because of other commitments e.g. work commitments would not be grounds for admission under this criterion.

Section 9: Faith Information

- Please state your child's faith/religion if you are applying for a faith school.

Section 10: Fair Access

- If any of the Fair Access categories listed apply to your child, please tick the appropriate box(es). If you are unsure or have any queries, contact the School Admissions Team for further advice.

Section 11: Checklist

- Please check that you have completed all parts of the form and that you have enclosed proof of your address or your proposed address and that you are applying at the correct time.

Section 12: Data Protection

- Please read this section as it contains important information about how we deal with the information you supply on the application form.

Sefton Council maintains an electronic database in respect of all pupils who apply for a school place within Sefton. All personal information provided on the admission application form is treated in strict confidence in accordance with the requirements of the Data Protection Act 2018. We may verify information you have provided on the application by contacting other Council Departments who maintain appropriate records for Sefton residents. The data may be shared with the DfE, other Local Authorities and other appropriate agencies, for the purpose of the provision of services to your child. The application forms will be held for 2 years and then destroyed securely. The application information held within the electronic database may be held for up to 7 years.

Section 13: Declaration & Signature of Parent/Carer

- You must sign and date the declaration and print your full name, before submitting your application.

Section 14: Consent to share information

- Please sign here if you agree that information included in the application form can be shared with other Local Authority teams, in order to support the child/family with appropriate services, where applicable.

What documents do I need to provide with my application?

- You must provide proof of your new address if you have already moved into Sefton or moved to a new house within Sefton, or evidence of your proposed address if you are scheduled to move into Sefton during the next 4 weeks.
- We will require a solicitor's letter confirming that contracts have been exchanged and signed on the new property, or that you have a long-term tenancy of at least 6 months, together with evidence that you are residing at the new property.
- The evidence of house purchase (exchange of contracts) or long term tenancy, and independent evidence which confirms you are residing at your new address, **MUST be received by the Local Authority or we will not be able to process your application.**
- You may also be asked to provide evidence of the disposal of your previous property.
- If you are moving in with family members or friends, please clearly state this on your application form. We will require proof that the family are residing at the address stated e.g. copies of bank statements, driving licence.
- **Please do not send original documents.**

What happens next?

- If we are able to offer you a place at more than one of the schools you have listed, we will offer you the school named highest on your application. You will be contacted by the school directly to arrange and agree a start date for your child.
- If it is not possible to offer you any of the schools you have requested, we will send you the decision letter and offer you the right of appeal for those schools. We will also offer you an alternative place at a school closest to your home with a vacancy. We can also if requested, provide you with information relating to other schools which may have places available.

Appeals and waiting lists

Appeals

If you have not been offered a place at a school you have named as a preference on your application form, you have the right of appeal to an Independent Appeals Panel.

- Information about how to appeal will be sent to you with the decision letter.

For further information regarding the Admission Appeals process please read the leaflet '*School Admission Appeals - Information for Parents*' which can be accessed at www.sefton.gov.uk/schooladmissions

Waiting lists

If we are not able to offer a place at your preferred school, you will be offered the option of adding your child's name to the schools waiting list.

- Waiting lists, by law must be held in order of where each application falls within the schools admissions criteria and not the date they are added to the list.
- The length of time spent on a waiting list is not taken into account.
- Your child's position on a waiting list can go up or down.
- If a vacancy arises and your child is at the top of a waiting list we will contact you to see if the place is still required.

Sefton Fair Access Protocol

By law, each Local Authority must implement a School Admission Fair Access Protocol. This is to ensure that outside of the normal admissions round **unplaced children**, especially the most vulnerable, are offered a place at a suitable school as quickly as possible. This supports families and schools in ensuring that children who may have difficulty in accessing a school, are offered an appropriate place fairly and without delay.

In Sefton, the Protocol is administered by two panels one for primary school applications and one for secondary school applications. You will be informed in writing if your application for a school place has been referred to the relevant Sefton Fair Access Panel.

Sefton Admissions Team or an individual school may request that an application for a school place is referred to the appropriate Fair Access Panel if it meets the requirements contained within the Protocol.

There are some children that **MUST, by law** be included in a Fair Access Protocol.

- 1) Children from the criminal justice system or Pupil Referral Units who need to be reintegrated into mainstream education;
- 2) Children who have been out of education for two months or more;
- 3) Children of Gypsies, Roma, Travellers, refugees and asylum seekers;
- 4) Children who are homeless;
- 5) Children with unsupportive family backgrounds for whom a place has not been sought;
- 6) Children who are carers;
- 7) Children with special educational needs, disabilities or medical conditions (but without an Education, Health and Care Plan).

In addition to the above statutory Fair Access categories, the Sefton Protocol will include:

Secondary Age Children

- 1) Pupils that have moved in to Sefton and been permanently excluded from one school;
- 2) Pupils with 15% or more **unauthorised absence** in a rolling year (for most pupils this will also include the use of attendance records from the previous academic year);
- 3) Pupils with an ongoing and current number of fixed term, internal or external exclusions;
- 4) Pupils at risk of permanent exclusion where the behaviour of the pupil is of ongoing concern to those professionals involved;
- 5) Pupils using a Learning Support/Inclusion Unit or Alternative Provision, commissioned by the school, where the child does not have an Education, Health and Care Plan;
- 6) Pupils with persistent and ongoing recorded instances of poor behaviour;

- 7) Pupils in Year 10 who have moved into Sefton or moved a significant distance within Sefton after the end of the Spring Term;
- 8) Pupils in Year 11 who have moved into the area;
- 9) Any secondary age pupils who have moved within or into the area, and there is not an available school place within a reasonable distance of their home as defined in the Schools Admissions Code (address **must be** validated before referral to panel);
- 10) Children who have been Electively Home Educated requesting a school place;
- 11) Children being integrated from Complementary Education;
- 12) Pupils who transfer schools 3 times or more within a local area (with no house moves);
- 13) Year 10 and 11 children requesting a school to school transfer.

Primary Age Children

- 1) Pupils that have moved in to Sefton and been permanently excluded from one school;
- 2) Pupils with 15% or more **unauthorised absence** in a rolling year (for most pupils this will also include the use of attendance records from the previous academic year);
- 3) Pupils with a history of fixed term exclusions over the last 2 years (3 or more exclusions);
- 4) Pupils in Year 6 who have moved into Sefton, or moved a significant distance within Sefton after the end of the Spring Term;
- 5) Pupils who transfer schools 3 times or more within a local area (with no house moves);
- 6) Pupils requesting a return transfer to a school previously attended;
- 7) Any primary age pupils who have moved into Sefton and cannot be offered a school place within a reasonable distance of their home as defined in the Schools Admissions Code (address **must be** validated before referral to panel);
- 8) Children who have been Electively Home Educated requesting a school place;
- 9) Pupils in Year 6 requesting a school transfer within Sefton without a house move.

How the Fair Access Protocol Works

When an A1 application is referred through the Fair Access Protocol, the request is sent to the appropriate panel for it to be considered.

The Fair Access panels meet regularly, which allows recommendations for a school place or relevant education provision to be made quickly.

The offer or recommendation for a school place may not be for the school originally requested.

The panels will meet on a regular basis: **Approximately every 3 weeks.**

The compositions of the two panels are as follows:

- Headteachers/Deputy Headteachers/Assistant Headteachers from Community, Voluntary Aided Schools, and Academies
- Head of Pupil Referral Unit
- Representative from Special Education Needs & Disability Service
- Representative from Educational Psychology Service
- Locality Team Manager/Senior Officer from the Local Authority
- Administration Officer
- Other Officers/Professionals where necessary

Fair Access Outcomes

The outcome of the Fair Access Panel meetings for applicants would be: -

- 1) Offer admission to a school preferred;
- 2) Offer admission to an alternative school;
- 3) Recommend that the pupil remains at their current school with the right to appeal offered for their preferred school(s);
- 4) Agree/Recommend a managed transfer (**for existing Sefton pupils**);
- 5) Recommend admission to alternative provision or recommend an alternative curriculum of a practical nature. Where this is the case the appropriate panel member will contact the child and the family to discuss this further.
