

## Merseyside Recycling and Waste Authority (MRWA)

We are the public body responsible for dealing with household waste and recycling once it's been collected from your home.

We work hard to encourage Merseyside's householders to use less in the first place and, through our 16 Household Waste Recycling Centres and District Council kerbside collections, to recycle as much as they can.

Using the latest technology, we aim to make sure as much waste as possible is sustainably managed. Our Energy from Waste facility in Wilton diverts the majority of Merseyside's non-recycled waste from landfill, whilst our two Materials Recovery Facilities sort and separate recycled materials where they then go on to be processed into new items.

Last year, 35% of Merseyside's household waste was reused, recycled and composted. Recycling, alongside our waste prevention work and involvement with community projects, can help us all contribute to cutting waste levels and fighting climate change.

You can read more about our work at [www.merseysidewda.gov.uk](http://www.merseysidewda.gov.uk).

## Financial Summary

	2024-2025 £M	2025-26 £M
Total Net Expenditure	84.409	74.762
Contribution to reserves	0	8.730
Total Requirement	84.409	83.492
Use of Reserves	-2.558	0
