

North West  
**Safeguarding  
Partnership**

**WHAT**

**PART 1**

**WE DID**

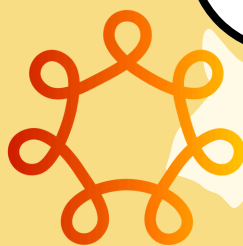

**TOGETHER**

**Discover how you've helped  
shaped the North West**

# WHAT WE DID

- ✧ **Ran 2 Hacks (workshops) to start planning a new Threshold Tool and Language**
- ✧ **Made sure these will work for children, families and practitioners**
- ✧ **Drew on insight from 998 voices across Cheshire, Merseyside & NW**
- ✧ **Getting ready for Hack 3 - with families & professionals**

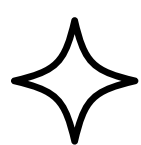

# **WHO TOOK PART**

- ✧ **34 participants took part in Hack 1 & 2**
- ✧ **From 9 local authority areas & multiple partner agencies**
- ✧ **These included BIG bosses, parents, young people, children and even family pets in the background!**

# **WHAT WE DISCOVERED**

**Children & young people need a trusted person and after care**

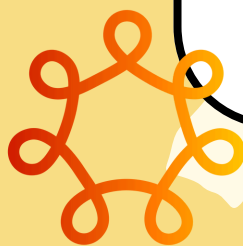

**Parents & carers want clear info and less judgment and stigma**

**Professionals want consistency, visual tools & family-first culture**

**Key themes such as plain language, creative access & inclusive leadership**

# **WHAT'S NEXT?**

**Hack 3, which will turn these ideas into real solutions**

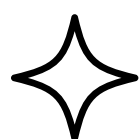

**Test these 4 solutions with professionals and families:**

- 1. The Trusted Adult Model**
- 2. The Personalised *NEW* Tool**
- 3. The Language Charter**
- 4. The Culture Shift Programme**
