

BOOTLE MASTERPLANS CONSULTATION EVENT

Sefton Council would like to invite you to a public consultation event to share your views on masterplan proposals for two sites within Bootle:

- **Site of both former St. Johns House office blocks between Merton Road and Trinity Road**
- **Hawthorne Road/Canal Corridor - area between Linacre Lane and Marsh Lane plus former Bootle Gas works and site of Litherland House**

Maps of these sites are provided on the reverse of this leaflet.

The masterplan looks at the potential for new housing and other uses on these sites as well as consideration of design, parking, green spaces and links into the wider Bootle area.

We are keen to get as much feedback from you as possible to support the masterplan.

**Come and join us to
share your thoughts.**
